Sir,

Silk Farm.

In reply to our letter of the 25th May 1908, you were good enough to ^{inform} ~~reply~~ us on the 2nd April that your Government had decided not to take over the Experimental Farm from us and that we may close it or dispose of it in any manner we liked.

We understand that Commissioner Tucker of the Salvation Army has applied to your Government for the transference to his organisation, the concessions and enjoyed by the farm, if he is to take the management of it.

May we request you to kindly let us what orders have been passed on Commissioner Tucker's application, if no orders have yet been passed, when they are to be?

We make this enquiry because our decision regarding the future of the Experimental Farm depends on the reply which the Salvation Army receive from you.
